IN RE: Total Maintenance Solutions South, Inc., Petitioner
("TMS") v. Windstream Communications, Inc.,
Respondent ("Windstream")
Docket #: 2014-354-C
RCCP File #: 0628.0008

Dear Ms. Boyd:

I represent TMS in connection with the above-referenced matter. I am pleased to report that TMS and Windstream have resolved their differences. Please accept this letter as TMS's request to withdraw its Petition without prejudice pending consummation of the settlement as previously agreed. This matter has been docketed for a hearing in March and under the circumstances, the hearing will not be necessary.

John J. Pringle, Jr., Esquire, who represents Windstream, is in the process of preparing the usual and customary settlement papers. A formal Stipulation of Dismissal will be forwarded to your office within a reasonable timeframe.

Yours truly,

ROE CASSIDY COATES & PRICE PA
